

Dear Supporter,

The Ste. Genevieve County Emergency Services cordially invites you and your company to participate in our fourth annual charity golf tournament to benefit The BackStoppers organization. Last year's tournament was a huge success because of the generosity of people like you.

The Backstoppers is a not-for-profit organization dedicated to helping the families of those who have lost their lives while in the line of duty. Those covered by The Backstoppers include city and county law enforcement officers, city firefighters, volunteer fire protection units and publicly funded paramedics and EMT's. All proceeds of the benefit golf tournament will go to The BackStoppers for continued support of the families of fallen comrades.

Because the economy has not returned to its pre-recession level, we felt we should continue our effort to save money for our supporters. With that in mind we have decided to maintain last year's reduced pricing structure for all tournament categories.

The enclosed form outlines various levels of participation. Winners of each flight will receive cash prizes. There will also be contests for the longest drive, longest putt and closest to the pin. Additionally, for those of you who choose to use them, mulligans will be sold for \$20.00 per team. Only one set of mulligans can be purchased for each team. While we cannot guarantee you a good score for the tournament, we will guarantee one thing — a good time.

To register, please complete the enclosed entry form without delay to make sure you don't miss out on this great day, Friday, September 17, 2010 at the Ste. Genevieve Country Club. Lunch will be provided before the tournament starts. After the conclusion of the tournament, dinner will be served and prizes will be handed out. We value your support and commitment to the men and women who protect Ste. Genevieve County.

Since we are limited to 36 teams, register early to guarantee your reservation.
Payment and entry form must be received by August 20, 2010.

As always, the only stipulation to the tournament is that **any player currently enrolled in high school and participating in sports is NOT allowed participation in the golf tournament according to MSHSAA rules.**
